## **I- Baza-Education Activities 2015-2016 sponsored by WONDERLAND NGO**

Baza Education officially opened classes on Saturday January 30, 2016 in its localities in Togo. The tutor's orientations and training session have been held the weekend before; it was a successful event. We chose our new students in exam classes based on the report card of 2015; also we had the assistance of teachers who provided us with the list of students in need both academically and financially in 2016.

A special attention has been given to the students who are in exam classes and preparing for state examinations (CEPD and BEPC)

The local committee distributed school supplies to our orphan's students.

During the year our tutors had taught every Saturday and every Wednesday afternoon. They also provided one on one tutoring and coaching with the students that had been identified as falling behind in their academics.

Our classes were closed right before state exam on June 13, 2016 and the results of the exam were in at the end of July 2016. The money provided by WONDERLAND NGO was used to pay for 6 tutors (on rotation), 1 coordinator, and schools supplies for students in 6 villages.

## **II- Other supports that was provided to the students**

Our actions are not for academics only. We have tried to address some social needs include free distribution of school kits, medical assistance and nutrition assistance.

- 1- School kits: With the money provided by WONDERLAND NGO, we gave out school kits, uniforms, sandals and other basics necessities,
- 2- Nutrition: Malnutrition and lack of basic hygiene in School environment in Togo are also part of the problem. It is hard for a student who does not feed to learn. This year we received a gift of 25 bags of rice 100 lbs. The students had a chance to have a boll of rice once in a while during the school year
